Commissioners Give Approval To New School

PLACENTIA - Planning Commissioners gave near unanimous approval to plans for the Placentia Unified School District's addition to Golden Elementary School located in north Placentia next to the existing Golden School.

Voting against the permit was Bill Beggerly, who said that he objected to the conditions placed by the city on the district. He said that the conditions should be made as requests with the district deciding what it could and could not do.

Planning Director Tom Nelson had requested that the old school be made to conform better with the new school so there would not be an esthetic clash between the two schools.

Dr. David Tansey of the school district told the commission that no money was available to change the old school under the state school building program.

Nelson admitted that the commission could not place binding conditions on the district, which is an agency of the state.

Ray Lanctot Elected To Committee

SANTA ANA - Raymond Lanctot of Placentia has been elected as a member of the Orange County Committee on School District Organization beginning Jan. 1 for a four-year term.

Lanctot, who will represent the third supervisorial district, was nominated by the Placentia Unified School District. Others elected to the twelve member committee were Mrs. Mary Hix from the first supervisorial district and Mrs. Sheila Meyers of Fountain Valley as the at-large member.

The county committee has jurisdiction over all changes in school district boundaries and over unification plans submitted by various school districts.

PARADE - Smokey the Bear was one of the entries in the Yorba Linda Fiesta Days Parade Saturday. The event drew a large crowd to the center of the city.

County, City Libraries To Hold Fine Free Day

PLACENTIA - "Fine Free Day" will be observed by the 10 public libraries in Orange County and their branches on Nov. 8, according to David E. Snow, chairman of the Public Library Administrators of Orange County and director of the Placentia District Library.

Snow said the libraries hope "Fine Free Day" will bring back hundreds, perhaps thousands of long-missing books, many of which have been wanted by other readers. No fines will be charged for overdue books, he said, regardless of whether they are past due several days or several years.

"We are not particularly concerned about the book that is a few days, or even a few weeks, overdue," the library director explained. "The libraries are worried especially about books that are many months or even years overdue."

He said similar fine free days held by other libraries throughout the country have brought back hundreds of books missing for many years and representing thousands of dollars.

Although no questions will be asked regardless of the vintage of the book, Snow said patrons need not necessarily bring overdue books into the library. The volumes can be dropped in the library's curbside book return box during regular hours or when the building is closed. Books may also be returned to any public library or branch library in the county.

Sign Variance Requests Are Turned Down

PLACENTIA - Five variance requests to allow five housing development signs 100 square feet in size to remain in location near Morse and Rose and Orangethorpe and Rose in areas recently annexed to the city have been denied by the Planning Commission.

The city has a limitation of 32 square feet on such signs and commissioners said that the limit should be enforced. The signs had a one-year permit from the county which has now expired.

YL Planners OK Impact Statement

YORBA LINDA - The Planning Commission approved its first environmental impact statement last week, giving Mark III Homes the authority to continue with their tract at the southwest corner of Bastanchury and Plumosa.

The commission approved the map following discussion of whether added school children constituted an environmental impact. Chairman Ann Capron suggested a study session with the schools on this subject.

Commissioners also continued for the second time two use permits, one for a church and one for a horse stable.

BIKE DAY - Mable Paine School in Yorba Linda will hold a bike rodeo on the school playground from 9:30 to 12:30 on Saturday, Nov. 4. Included will be a riding skill test, a mechanical safety check, and a free bike license. Here Brea Patrolman Bill Lentini, left, licenses a bike owned by Jim Tolley, while Brea Police Sergeant Larry Baker hands Sharon Roe a bike license card.

General Election Set For Tuesday, Nov. 7

A total of 794,174 voters are eligible to go to the polls Tuesday to decide whether Richard Nixon or George McGovern will be president of the United States, to decide 22 California ballot propositions, and to decide several congressional, Assembly and State Senate races as well as two Supervisorial races.

Major issues on the ballot include a community college bond issue, health science bonds, pollution bonds, legislative reorganization, school district changes, constitutional revisions, election changes, pollution facility exemption, unsafe school bond issue, blind veterans exemption, privacy amendment, disabled veterans exemption, workmans compensation, property tax limitation, state employe salaries, highway patrol salaries, death penalty, obscenity, marijuana, coastal zoning, prohibition of busing, and agricultural labor relations.

In the Third Supervisorial District Supervisor William Phillips is defending his seat against Ralph Diedrich while in the first district William Wenke is challenging Robert Battin.

For Congress Republican Andrew Hinshaw faces John W. Black in the 39th District while Republican incumbent Del Clawson is challenged by Democrat Conrad Tuohey in the 23rd District.

For State Senate James Whetmore, incumbent Republican, is facing Cypress Councilman Otto Lacayo.

For assembly in the 35th district Republican Incumbent John V. Briggs is being challenged by Democrat Ted Shipkey while in the 71st District Robert Badham, incumbent Republican, is being challenged by Jim Thorpe, a Democrat.

Trustees Discuss Annexation Of Yorba Linda Area

PLACENTIA - The Board of Trustees of the Placentia Unified School District has requested Superintendent John Tynes to communicate with the Yorba Linda School District to offer to fill any need for information may require in the matter of annexation to the PUSD.

The board discussed the possibility of receiving a petition from Yorba Linda citizens requesting annexation without the matter having be approved by the Yorba Linda board and flet that it would be better to keep lines of communication open in case that happened.

If proponents of the annexation can gather signatures of 25 per cent of the Yorba Linda District residents they can present it to Placentia without Yorba Linda board approval.

Annexation To Placentia OK'd

SANTA ANA - The Local Agency Formation Commission has approved the annexation of 3.2 acres west of Rose Drive between Golden and Imperial to the city of Placentia over the objections of the city of Yorba Linda.

The land has been prezoned for commercial use with a car wash proposed on the site. Yorba Linda said that the land was properly in its sphere of influence and added that it was planned for residential use.

PUSD Board Is Opposed To Prop. 14

PLACENTIA - The Board of Education of the Placentia Unified School District has adopted a strongly worded resolution opposing Proposition 14, known as the Watson Amendment, which will appear on Californians' Nov. 7 ballot.

Citing the "disastrous effects on public school support in the State of California," the board voiced particular concern about districts such as Placentia which are growing at rapid rates.

GLENVIEW - Dr. Ralph Ruth, vice-president of the Placentia Unified School District Board of Education, shovels cement as Mike McGarry, front; Mike Berger, Tim Lambert and Paul Wolocatiuk place time capsule near flagpole during dedication ceremonies at Glenview School Thursday night.

Tynes Urges No Vote On Prop. 14

Crises aren't anything new to public education, but Prop. 14, known as the Watson Amendment, which appears on the Nov. 7 ballot, is the most serious threat to face our schools in recent history. It threatens two of the most important basic tenets of our system: quality education and local control of schools.

While claiming to lower homeowners' property taxes, Prop. 14 is actually of greatest benefit to non-homeowner property owners - business properties, public utilities, railroads, vacant lots and other non-inhabited holdings. Gov. Ronald Reagan calls the initiative "unfair" for just that reason, explaining that 75 per cent of the relief would go to the non-homeowner. Even then, homeowners can't be assured of much property tax relief, because under the amendment county assessors could keep taxes at current levels or higher by reassessing homes and raising market values.

By setting a property tax limit of $7 per $100, the amendment limits funding for schools to $2, which will come totally from state funds to be administered by county boards of supervisors - with no say from local school districts, who can hope that the state provision of $825 per student (considerably less than most districts currently are allocating) will be divided equitably among county school districts.

County Department of Education projects an expenditure of $946/student next school year for the Placentia Unified School District. Other North Orange County figures include Anaheim City Elementary, $1,065; Anaheim High, $1,146; Yorba Linda Elementary, $851; Orange Unified, $987, Fullerton High, $1,455; and Fullerton Elementary, $1,045.

This means a total loss in revenue of $1.6 million for Placentia, $3.2 million for Anaheim City; $$11.9 million for Anaheim High, $61,000 for Yorba Linda $4.6 million for Orange, $2.7 million for Fullerton Elementary and $9.7 million for Fullerton High.

There is no provision for financing the 90 community colleges throughout the state, which are almost totally dependent on local taxes.

Prop. 14 tries to provide for revenue which will be lost from property taxes by increasing sales tax by 40 per cent, cigarette tax by 100 per cent; liquor tax by 25 per cent and the severance tax on oil and minerals 7 per cent, creating a probable rise in gasoline prices.

Legislative Analyst Alan Post also predicts a doubling of personal income taxes to help balance the deficit.

Prop. 14 will impose almost total impotence on local communities to raise funds to give their children the quality education they need. Even if parents wanted to, they couldn't raise their district's $825 base figure per student. At a time when parents are demanding more say in what goes on in their schools, this proposition would seriously damage local control.

Other consequences voters would suffer if Prop. 14 is passed are a drastic cutback in police and fire protection, which rely on community support, and a complete wipeout of funds for rapid transit development.

Prop. 14 is indeed a serious threat to the education of our children and the autonomy of our local educational system. I strongly urge a NO vote on Prop. 14.

BAZAAR - Going over some of the items to be sold at the Blessed Sacrament Episcopal Church St. Elizabeth's Guild Bazaar this weekend are, from left, Mrs. Joseph Mezey, bazaar chairman; Mrs. Richard Reimers, Guild president; and Mrs. Michael O'Neil.

Episcopal Church To Host County Bazaar

Saint Elizabeth's Guild of the Church of the Blessed Sacrament Episcopal Church, 1314 North Angelina Dr., Placentia, will hold an Old Fashion Country Bazaar Saturday, Nov. 4 from 10 a.m. to 4 p.m. in the church all purpose room. It will consist of booths which will feature items for the whole family, especially Christmas items. Also featured are baked goods and many handcrafted items.

Fun for the children will be Mrs. Charles Meyers who will play the role of the "pocket lady". For 10 cents her pocket, of which their are many, may be picked, and in each pocket there is a treasure.

The public is cordially invited to the Country Bazaar, and all proceeds will be donated to the air conditioning fund for the Church.

League Of Voters Offer Information

The pros and cons of the California propositions on the November ballot are detailed in a League of Women Voters publication. It is available to the public at the Fullerton Public Library, 301 N. Pomona, and the Hunt Branch, 201 S. Basque. Copies are free on a first come, first served basis.

The library reference department has gathered together a packet of information on the national campaigns of the major parties, their candidates, issues and platforms.

VHS Grads Invited To Homecoming

Valencia's Student Council extends an invitation to all tiger alumni to attend the annual homecoming dance Saturday, Nov. 11 in the school's gym.

"Just Like Yesterday" brings back memories of days gone by as once again the Tigers take on Brea-Olinda at 7:30 p.m. The dance will follow the game as "Steam," a well know recording group, coupled by "Bangledesh," will complete the evenings entertainment.

Casual dress was chosen for this years dance and tickets will go on sell for $1.75 per person starting Nov. 2. Alumni wishing to purchase tickets may do so at the school's finance office.

Band, Drill Team To Compete

The Valencia High School Tiger marching band and drill team under the direction of William W. Foster and Jane Rogers will be featured in the "sixth annual El Primero Band and Drill Team Review

P-3 Nov. 1

The Valencia High School Tiger marching band and drill team under the direction of William W. Foster and Jane Rogers will be featured in the sixth annual El Primero Band and Drill Team Review to be held in the city of Santa Monica, Saturday, Nov. 4 at 10 a.m.

The parade, the largest band and drill team review in the United States, will showcase over ten thousand junior and senior high school students from over seventy southland schools.

Chapter of Woman's Group Founded Locally

Seeking to become a vital and constructive force in Orange County events, members of the Federation of Mexican Women in Orange County, headquartered in Fullerton, announced this week that they will expand their organization by chartering individual chapters in the county's cities, the first chapter to be set in Placentia.

Information may be obtained by calling Mrs. Betty Escobosa, secretary and co-founter of the parent group, at 528-1443 any day between 3 p.m. and 9 p.m.

Mrs. Escobosa said the chartering Fullerton organization was established in August and has become interested in problems of employment, education and politics as it affects the Mexican-American minorities.

Dues, to be within the reach of everyone, have been set at $5 a year, she said.

Mrs. Escobosa stated that the Placentia chapter may enter discussions on scholarships to assist Mexican-American students with their education; workshops to develop leadership; discussions on legal rights and drug abuse.

Another possibility could be the compiling of a referral directory or data bank listing the talents and capabilities of all Mexican-American women in the community to be used at any level of activity including employment, professional services, bilingual needs and service commissions.

Among officers of the board of the Fullerton organization are Helen K. Rueda, Fullerton, president; Virginia Perez, Garden Grove, vice president; Marion Aguirre, Westminster, second vice president; Helen Ramirez, Garden Grove, treasurer and Tina Garza, Yorba Linda, ways and means committee.

Area Woman Returns After Summer Trip

Miss Doris Jacobsen of South Bradford Avenue, Placentia, has returned to her home following an extended summer vacation through northern California.

While in the northern cities she visited several of the parlors of the Native Daughters of the Golden West. She is a member of Grace Parlor No. 242 in the local area.

Introductory Lecture To Be Offered

An introductory lecture on transcendental meditation will be presented Wednesday, Nov. 8, at California State University, Fullerton, 7:30 p.m.

The lecture, to be held in room 682 of the Letters and Science Building, is sponsored by the Cal State student chapter of the International Meditation Society.

The lecture will explain the technique of transcendental meditation, the benefits of the technique, and recent scientific research in the field.

The lecture is free and open to the public.

Fire Causes Damage To Residence

A fire in a kitchen caused approximately $2,000 damage last week at 220 Turf Dr., Placentia. Firemen were called at about 1:23 a.m. to the blaze, which firemen say apparently started in a kitchen closet, possibly from an oil-soaked rag.

The kitchen was fully involved in the fire when units arrived but was under control in a few minutes. Capt. Jim Babbitt cut his finger and was treated and released at Placentia-Linda Hospital.

Damage estimates included $1,500 structural damage and $500 damage to contents.

Barber Shop Show Planned

"Yesterday," theme of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc. Santa Ana Chapter Sixth Annual Barbershop song show, features fond memories and great music now back in popularity. The event will be held Saturday evening, Nov. 4 at the Orange Coast College Auditorium in Costa Mesa.

Included are heart-rending ballads, comedy and many musical surprises, according to Show Chairman Tal Klaus of Placentia.

In addition to the huge Golden City Chorus of the Santa Ana Chapter directed by Tony Crain, this year's International Championship Quartet semifinalists, The Crown City Good Time Music Company, will appear.

Other quartets featured in the show are the Beach Nuts, the Golden City Aires, the Sunshine Special, the Saints, the Four Bits of Harmony in a comedy routine and a Sweet Adelines female quartet, The Accents.

Tickets are available by calling Ticket Chairman Bill Sumner at 821-1888 (eves.) or 871-3232, ext. 4484 (days). Prices are $3.50 reserved, $3 general admission and $2 students. Groups of 25 or more receive discount of 50 percent.

SINGERS - The Golden City Aires (left to right: Ken Koch - Tenor, Dave Gryvnak - Lead, Rick Blalock - Bass & Art Groves Baritone) will be one of the seven quartets featured in the Barbershop Song Show "Yesterday" being presented Nov. 4th at Orange Coast College by the Santa Ana Chapter of S.P.E.B.S.Q.S.A.

VHS Journalists Receive Awards

Three Valencia High School journalists recently brought home trophies from the ninth annual North Orange County High School Journalism Workshop and Writing Contest.

Receiving awards were Linda Bies, honorable mention; Steve Pickrell, third place and Jeff Dobyns, first place. Each of the presentations were made at the workshop, held jointly by Journalism departments at Fullerton Junior College and Cypress Junior College.

All of the winning stories were concerning the presentation of William Farr, reporter for the Los Angeles Times. Farr was on trial for contempt of court in Los Angeles concerning his refusal to name the source of information in a story about the Sharon Tate murder case of 1970. He addressed the students from north Orange County on the topic of "What's Happening to Freedom of Reporters."

Also on the schedule for Tiger journalists was a trip to Newport Harbor High School, to attend ImPRESSions '72, an annual journalism workshop, on Oct. 28. The students attended classes in the morning and afternoon, with a luncheon between.

Swingettes Will Begin Season

The Placentia Swingettes, sponsored by the Placentia Recreation and Parks Department, are entering a new season of parades and performances. The Swingettes, organized in 1968, have competed in many parades and have won many honors over the past few years.

Girls between the ages of 11 and 14 years who are interested in learning drill team techniques, preparation for high school drill teams, or the Kingsmen Drum and Bugle Corps are encouraged to start with the Placentia Swingettes under the direction of Diane Nance. Interested prospective members are invited to attend the Saturday morning practices scheduled at 9 a.m. to 11 a.m. at Kraemer Memorial Park.

The fall and spring are the most active seasons in that the Swingettes are now preparing for the Thanksgiving parades and are looking forward to the Christmas season and performances. For further information, contact the Placentia Recreation and Parks Department at 993-0930.

Council Goes To Queen Mary

Fourteen members of the Valencia High School student council traveled to the Queen Mary last week to attend the annual conference of California Association of Student Councils, region 17.

Those attending included Russell Hanano, ASB president; Kevin Fuqua, ASB treasurer; Inge Hardi, activities chairman; Meg O'Shaughnessy, councilwoman; Christy Pachiano, councilwoman; and Cindy Franklin, assistant to publicity chairman.

Also boarding the ship were Belinda Lizotte, sophomore class president; Larry Osen, junior class president; Junior Flores, freshman class president; Rob Flanders, senate president, Catherine Herrell, ASB secretary; and Barbara Walter and Magret von Derstrom, Valencia's foreign exchange students.

Following registration the students were invited to tour the ship. Guest speaker at the affair was Dr. Earl Raum, director of activities in Denver, Colorado. Raum spoke to the students on their role at the respective schools. To add flair to the presentation, the speaker, an accomplished magician showed the council members some of his wares.

Geared toward finding new ideas for school government, the students were asked to share concepts during the lunch break, and bring new found ideas to the afternoon session.

OC Ranks Second In State Schools

Fast-growing Orange County ranked second in the state in average daily attendance during the last school year, according to a recently released report by the state Department of Education's Bureau of School Apportionments and Reports.

Orange County reported 426,659 ADA for kindergarten through community college, ranking second only to Los Angeles County with 1,678,009. San Diego County came in third with 368,238. The Northern California county of Santa Clara ranked fourth with 323,490, the report stated.

ADA is the figure by which the state calculates payments to school districts.

Placentia Unified School District was twelfth among the 26 county districts in kindergarten through eighth grades with 9,626 total ADA. The three Placentia high schools tallied 3,654 to rank eleventh among the 13 districts with high schools, according to information compiled by the Orange County Department of Education.

Orange County districts reporting the highest ADA for K-8 are Garden Grove Unified, 37,397; Santa Ana Unified, 20,330; and Orange Unified, 19,790. In grades 9-12 leaders were Anaheim Union High, 24,650; Garden Grove Unified, 17,331; and Huntington Beach High, 16,867.

Anaheim To Refill Lake Near Dec. 1

Anaheim Lake will be refilled beginning today, and local residents can expect to fish there again around Dec. 1, according to Municipal Water District of Orange County (MWDOC) officials.

The lake is currently dry because of prolonged drought conditions in the area, and will be filled by the Orange County Water District (OCWD) with surplus Colorado River water provided by MWDOC.

Round Table Looks To November

As October Junior Involvement Month is ending, members of the Junior Round Table of Placentia can look back on many accomplishments as they look forward to numerous projects in the works for November.

At the October 25 general meeting four provisional members were welcomed into the club. Mrs. John Riggins, membership chairman, presented club pins and handbooks to Mmes. James Mosino, Larry Taylor, Wesley Vaugn, and Ross Weedman. Many prospective members were also welcomed to the meeting as guests, and Mrs. William Chrismore was introduced as new coordinator. She will act as a liaison between the Round Table and the Juniors.

Membership approval was given to buy and serve food for work parties constructing the Placentia Boys Club on weekends. Mrs. Howard Reed outlined plans for the We T.I.P. meeting to be held at the Round Table Clubhouse on November 15. The meeting for officials of Placentia, Brea, and Yorba Linda as well as interested citizens and parents will begin a frontal attack on drug pushers in our area.

Mrs. Jan Gary announced that more clothes closets will be held to distribute school clothes to children in the area. Donations of children's clothing may be made by calling her at 524-1770. Club members will also continue to support the adult classes for women learning English by babysitting for their children during classes.

Mrs. George Ramos, Ways and Means chairman announced final plans for the Junior's Harvest Moon Dinner and Bingo party to be held on November 8. Tickets are available by calling Mrs. Don Evans at 524-3805.

In addition to the District Officers the Juniors had as guests for the evening a number of past presidents and past coordinators. Past presidents present included Mmes. Burton Sandiford, Victor Michael, John Steinlightner, William Kipp, Eugene O'Neal, Ted Almgren, and George Larson. Past Coordinators in attendance included the Mmes. Placentia Playhouse Casts Dec. Production Of 'Charlie'

The Placentia Playhouse, sponsored by the Placentia Recreation and Parks Department, has cast its December production of "Goodbye Charlie" by George Axelrod. It will be presented on Dec. 1, 2, 8, 9, 15 and 16 at El Dorado High School, 1651 No. Valencia, Placentia at 8 p.m.

Director Randy Keene has announced the following cast: Pat Warner as Charlie, Burt Warner as George, also Mary Lynn Shea, Bob Stephenson, Bernard McKindley and Larry King.

"Goodbye Charlie" is the delightfully funny story of one Charlie Sorel, a Hollywood Don Juan, who is killed by a jealous husband. He returns to life as a girl and falls in love with his best friend, George. The role of Charlie was first played on Broadway by Lauren Bacall and later in the movie version by Debbie Reynolds.

For further information regarding this production, please call either 528-9274 or 826-7091.

Parents To Start VHS Grad Plans

Planning for Valencia High School "Grad-Night '73" Party will begin Nov. 9 at 7:30 p.m. in the school library. All parents of VHS seniors are encouraged to attend this first organizational meeting.

PRD Man Accepts Appointment

The Placentia Recreation and Parks Department announced that Lee Hoffman, park foreman, has accepted an appointment to the advisory board of the Horticulture Department of Fullerton College.

Department Head Bill Morgan and Instructor Leo Cole indicated that Hoffman was selected because of his enthusiasm, knowledge and willingness to help those in the field of horticulture. As a member of the Board, he will review the curriculum, attend School Board functions when it pertains to horticulture, provide research and input on chemicals such as herbicides and insecticides, and work with and relate to other board members in his speciality of horticulture.

Hoffman has also been named to the Beautification Committee for the Anaheim City School District. As a member of this committee, he will advise and assist in the selection of the type of shrubs and trees to be planted and to relate to any specific problems or design development which the School District is faced with.

Lee will also advise them on herbicides, insecticides, weed and pest control as it relates to the turf and trees planted throughout the District.

Junior Round Table To Host Annual Dinner

Everyone is invited to enjoy an evening of dinner and bingo as members of the Placentia Junior Round Table hostess their third annual Harvest Moon dinner party. The gala fund raising event will be held at the Round Table Clubhouse, 901 N. Bradford Avenue, Placentia on Wednesday, Nov. 8 at 7 p.m.

Champagne punch and a complete dinner followed by dessert and coffee will be served prior to the bingo game. Mrs. George Ramos, ways and means chairman, reports that many local businessmen have donated prizes for the evening. Grand prizes will be round trip tickets for two to San Francisco and three days and two nights in San Diego.

Donation for the dinner is $3.50 and proceeds will go to support the many charity projects of the Junior Round Table. Advance tickets sales are being conducted by all club members, or you may contact Mrs. Ramos at 524-1726 or Mrs. Don Evans at 524-3805.

Heritage Committee To Meet On Nov. 2

An accounting meeting for Placentia's eighth annual Heritage Festival Days celebration, will be held at the regular monthly meeting of the board, Thursday, Nov. 2.

Marv Reid, president said the public session will begin at 8 p.m. on the ground floor of the Backs Building.

Reports on the annual festivity, which ran this year from September 30 through October 7, considered the most successful to date, will be given by participants along with suggestions and criticisms.

Reid said the public, both individuals and groups, is encouraged to attend the meeting with the prospect of making next year's event "even better."

Department To Sponsor VHS Play

The Valencia High School Theater Arts Department will present the play "I Never Saw Another Butterfly" on Nov. 16, 17, and 18 at 8 p.m. in the Valencia auditorium.

Playing the lead role of Raja Engladerova is Kathy Sawa. Other members of the cast are Deena Ennis, Michael Topp, Alan Savage, Debbie Stevenson, Mary Benson and Terry Marks.

The play is the story of Raja Engladerova, who was one of the Jewish inmates in the Terezin concentration camp during World War II. During the war 15,000 Jewish children passed through the camp but only 100 were still alive when the camp was liberated in 1944. Miss Engladerova taught the children when there was nothing to teach them with and gave them hope when there was little reason for it.

Directing the play is Stanley Crane, a graduate of Redlands University.

PTA Board Will Meet

The next meeting of the Valencia High School PTA Board will be Monday, Nov. 6 at 1 p.m. in the school library.

Gardeners Meet Nov. 9 In Placentia

The next meeting of the newly organized Rose Society and Garden Club sponsored by the Placentia Recreation and Parks Department will be held at the Backs Community Building on Nov. 9 at 8 p.m.

Speaker for the evening will be John Van Barneveld of the Rose Hills Pageant of Roses, who will talk on "The Enchantment of Roses."

Through the year club members will learn about the care, pruning, disease control, soil management, fertilizing and growing for show.

The public is invited to attend.

President Of Emblems To Visit Group

Fullerton Emblem Club No. 469 is to be honored by a visit from the President of the California State Association of Emblem Clubs and Nevada-Hawaii Clubs, Beverly Trouba on Monday, Nov. 27.

She is past president of Burbank Club No. 86 and she will be accompanied by her Marshall, Jean Merrick, a past president of Hemet Club No. 162.

The Emblem Club is a charitable organization with a national membership of over 38,000. It is the seventh largest women's organization in the United States.

Fullerton Emblem Club will celebrate their first anniversary with a Birthday Dinner on Monday, Nov. 13. The local Club now boasts a membership of 136 and continues to grow under the leadership of president Mary Pander.

PTA Drive Winners Honored

Orchard-Glenview PTA membership drive winners were announced at a recent PTA meeting. Those winning at Orchard school were Mrs. Nicholas sixth grade class, which received the traveling trophy and a gift certificate for Farrell's Ice Cream Parlor. Mrs. Davidson's fourth grade class received second place with a $5 prize. For Glenview school, Miss Hastie's first grade took first place and Mr. Gorsuch's kindergarten class won second place.

As a follow-up to the bicycle safety test, held Oct. 25 at Orchard, the polic department will be present on Nov. 8 to give the students their annual riders test from 9 a.m. to 12 noon.

PTA members and parents are busy making items for the school's annual Christmas Boutique. The items give the children an opportunity to buy Christmas presents for their families for under $1. These may be purchased during school hours, at a later date.

Letters To The Editor

Mayor Asks Questions

To the Editor:

The following is an open letter to Supervisor William J. Phillips and his opponent in the Nov. 7 election, Ralph Diedrich.

We are now in the midst of discussing the issues of the upcoming election with our constituents.

One of the most important issues affecting Yorba Linda in the immediate future is the development of the Santa Ana Canyon, particularly that part of the Canyon which falls within Yorba Linda's Sphere of Influence as defined by the Orange County Local Agency Formation Commission.

The Orange County General Plan for this area calls for 1.5 units per acre. The Yorba Linda General Plan, which was voted upon favorably this past April, calls for not more than 2.7 units per acre.

We are writing to ask for your specific answers to the following questions:

1. Would you vote to maintain the Orange County General Plan of 1.5 units per acre as it now exists?

2. If you feel the density of the current County General Plan should be adjusted, how would you adjust it in terms of specific units per acre.

3. What is your position on the County Planning Commission's present policy of giving high priority to a city's General Plan as it relates to zoning?

Your answers to these questions will be sincerely appreciated.

Rudolph A. Castro
Mayor of Yorba Linda

Likes Paper

To the Editor:

I am a junior at Valencia High School. During the summer they did many changes to the school. I approve of some of these changes and some I do not approve of. Like all the fences. Why all of a sudden did they put the fence on the lower half of the campus? Was it because kids went there on weekends and polished their cars, they weren't hurting anyone.

Then the new color of our school. are we in a circus. You look around at the colors they put together. They don't even match.

Joey Montano

Improvements

To the Editor:

I'd just like to say "thanks" for your weekly paper! I really enjoy reading a paper which includes events happening in our community. I especially appreciate you giving equal coverage to each school's activities and their students in the area (which other papers do not). Thanks again!

Compliments

To the Editor:

I would like to compliment you and your staff on a really fine local newspaper. Without becoming too trivial, you have succeeded in covering purely local news. The readers of this area are fortunate to have your paper delivered weekly to their doors.

Health News . . .

Back Pain

Dr. Andrew N. Burpee of the Burpee Chiropractic Group when discussing back pain recently stated that not all back problems are due to accidents. Many of them are caused by improper lifting. And there are times when a relatively innocent act, such as stepping off a curbstone unexpectedly, is sufficient cause for back pain. Unexpected, awkward and off-balance movements of any kind can cause back pain and sciatica.

DR. BURPEE

Women in pregnancy are particularly prone to backache.

Dr. Burpee notes that pains of mysterious origin may be caused by spinal distortions. Sometimes the symptoms of the back problem appear immediately, allowing the victim to correlate between the cause and effect.

However, sometimes hours or even days pass before pain appears. This tends to hide the specific incident that was responsible for the problem, and often causes the victim to seek treatment for conditions other than spinal distortion. Many people have been known to suffer for months or years thinking they have lumbago or some similar condition because they cannot relate their problem to a specific incident of injury.

What is the Sacroiliac? Dr. Burpee states that the sacroiliac is the joint between the spine and the hipbones. The sacrum is the triangular spinal segment that bears all the weight of the upper body. The two ilia, or hipbones, articulate with the sacrum - one on either side - by means of the sacrioliac joints.

For effective help, the cause must be corrected. Persistent or recurring aches in the lower back and limbs may suggest a possible sacroiliac problem. This requires a correction of the cause in order to relieve the condition. Although drugs may hide the pain temporarily and various complicated harnesses and straps might appear to alleviate the pain of malalignment temporarily, the sacroiliac must be aligned to its proper position.

The long and short of it says Dr. Burpee, is that treatment of back injury is a chiropractic specialty. Your doctor of chiropractic has made a special study of conditions surrounding the sacroiliac, spine and nervous system. He seeks to not only locate the problem and give you relief from the symptoms, but also to correct the fundamental cause.

Dr. Burpee maintains offices at 245 Glassell, Orange, California (telephone 639-0111). ADV.

Hawks Beat Upland In Water Polo

Sophomore Scott Claffey scored five goals to lead the El Dorado Varsity water polo team to an upset win over Upland 14-5 Saturday. Upland, a high ranked team, proved to be an easy opponent as El Dorado out scored the poloists 5-0 in the last period. After a few early defeats in league, the team has become an excited, hard swimming group.

Also scoring well for the Hawks were Rick Miller with four goals, Gary Lindshied with two, John Moore with two, and senior sub Mike Krueger with a difficult full pool length shot for one goal.

On Monday Oct. 23 the Hawks played Foothill and won 9-8 against the bigger team. Rick Miller led the ED poloists with four goals while Jim Louderback had two.

Cal State Defeats Pomona

CSF remained undefeated in California Collegiate Athletic Association play by beating Cal Poly Pomona 27-13 last Saturday night at the Santa Ana Bowl.

Witnessed by the largest home crowd of the season, 3,122, the Titans upped their season record to 5-2 and their league mark to 2-0.

In an unusual offensive effort, Fullerton won the game with a devastating ground game. CSF has usually been known for its passing attack, but backs Danny Lara and Dwayne Sims erased all memories Saturday night.

Lara was starting for his first time as leading rusher Sims had a slight cold. Lara took over where his teammate left off and dashed for 85 yards in 13 carries. However, he lost another 65 yards in penalties. Sims came on in the second half and regained his stamina, traveling 109 yards in only ten tries. Sims dashed 42 yards in the fourth quarter to give Fullerton an insurance touchdown.

Coach Pete Yoder's defense was also playing good as they stopped the CCAA's leading offensive players. Leading rusher, Greg Cruz was held to 41 yards in 13 carries and quarterback Jack Surina was intercepted three times. Surina still managed to hit 21 of 37 passes for 293 yards.

Fullerton's quarterback, Ron Graves only hit four of 11 passes but connected to Gary Richardson on a 50-yard bomb to score the first TD. However, Pomona tied the game with Surina hitting a 24-yard pass to score.

The Titans went ahead 13-7 when Dale Smith intercepted Surina on the 26 and Graves scored one of his two touchdowns on a nine-yard run.

A 25-yard punt return by specialist Joe Bacca set up CSF's third score. Graves, running better than passing, dashed 45 yards to make the score 20-7. Cal Poly didn't score again until the final minutes of the game when reserve QB Steve Rothblum hit Joe Fabian in the end zone.

CSF will face UC Riverside next Saturday.

Tigers Defeat Laguna Beach

Coming from behind to score two touchdowns in the fourth quarter and win, the Valencia Tigers beat Laguna Beach 28-15 last Friday.

Valencia scored first when Richard Hernandez caught a seven yard pass. Early in the second quarter the Tigers struck again when Paul LaBorde passed 21 yards to John Gallagher. Laguna came back to go 60 yards in 13 plays to score. The Tigers drove the ball to the one foot line, but fumbled to end the half.

Intercepting a stray Tiger pass Bill Robertson of Laguna returned the ball to the five yard line. Bill Millard scored two plays later and then two points by running a conversion.

Barry Loomis capped both fourth quarter drives for the Tigers. First he caught a three-yard pass from LaBorde. Then Valencia went 41 yards in seven plays with Loomis again scoring. Ricks scored all four extra points to give Valencia 28.

Friday the Tigers face cross town rival El Dorado. The Hawks dropped last year's game 7-0 to Valencia. The Tigers will host the game which begins at 8 p.m.

El Dorado Upsets Saddleback High

With only three league games left, the El Dorado Golden Hawks may have just a slim chance for a CIF berth following an upset 15-12 win over Saddleback Friday night.

Accumulating a 1-2 league record until Friday, El Dorado had suffered two damaging losses to Laguna Beach 34-32 and Brea 20-7. Any chance for league honors are almost eliminated as both Brea and Valencia are undefeated at 4-0.

But this hasn't stopped El Dorado as they displayed an inspired team with a defense to match when Hawks bettered Saddleback 15-12 at Santa Ana Bowl.

The first quarter began with El Dorado receiving the kickoff with their offense ready to make yardage. In less than four minutes the ED gridders had worked this way to the one yard line. Fullback Chuck Sandoval muscled over for the score. Kirk Daley converted the extra point making the score 7-0.

Turning the ball over to the Roadrunners, the Hawks were surprised by a 95 yard run back by Joseph Rison. The extra point attempt failed and the score board was 7-6 with the Hawks on top.

Greg Hayes opened the second quarter by intercepting a Saddleback pass. The Hawks scored as quarterback Bob Farra hurdled over the one yard line. Kicker Kirk Daley readied himself for the extra point only to be surprised by a bad hike. Thinking quickly, Daley grabbed the ball and scored a 2 point conversion to give El Dorado a 15-6 lead.

The second half was to be long on defense and short on yardage as the Hawks held the Roadrunners on two goal line scoring threats.

Saddleback scored late in the fourth on a short run to make the score read 15-12.

El Dorado takes a 2-2 league record to Sonora next Friday night.

Fullerton Hosts Dons After Losing To OCC

Fullerton College will face Santa Ana at the Santa Ana Bowl on Nov. 4 at 7:30 p.m.

The Dons are leading the South Coast Conference and have an overall record of 6-1. They are sitting in the front seat of the SCC but still must win their next three games.

Santa Ana is led by SCC All-Conference quarterback Jerry Dyer, receiver Rich MacInturff, back, Mike Randell and a top defensive unit.

FC's record fell to 2-4 with a thrashing by Orange Coast last Saturday night.

It was Fullerton's worst defeat in ten years, 30-7, and the Hornets are all but out of the SCC race.

The Pirates expert receiver Steve Monahan lead the attack for Coast. He caught two touchdown passes early in the game and OC built up a 17-0 halftime lead. Monahan's second TD caught was a 42-yard ariel from quarterback Alvin White. Monahan caught the pass on the 18 and dodged the Hornet defenders to score.

With 2½ minutes gone in the second half, Orange Coast had a 27-0 lead and the 6,000 fans at LeBard Stadium seemed to lose interest in the rout.

Fullerton avoided a shutout by scoring with only 32 seconds to play. The TD came with a 14-yard pass from Mike Churchard to Rob Conrad.

Troy Upset By Buena Park High

Troy High School saw its hopes for a CIF playoff spot virtually vanish Friday night as Buena Park came back twice in the final quarter to upset the Warriors 17-14.

The Coyotes survived two lost scoring chances and had to come from behind twice before finally putting the Warriors away and gaining their second win of the season.

Buena Park scored first as Ed Lopez kicked a 27-yard field goal the first time the Coyotes had the ball.

Troy's only drive in the first half began with a 40 yard run by Mike Maglione and went 81 yards. A pass from quarterback Chip Starritt to Royal Courtain and several runs set up the scoring play by Dave Green from the seven. The extra point was good and Troy had a 7-3 lead.

Buena Park came back with a long drive as the half ended. The Coyotes had drive down to the one-yard line but could not get one more play off as the half ended.

Following that score the Coyotes drove down to the Troy 20 only to lose the ball on a fumble. Troy gave the ball right back when Starritt missed Maglione on a handoff. Sophomore Neil Orr grabbed the ball and ran 20 yards to give the Coyotes a 10-7 lead.

Troy came back to drive 55 yards as Chris Amy caught a 23-yard pass from Starritt to score with 6:46 left to play. The Coyotes were not dead yet but drove back down the field to score on Mike Lanctot's one-yard run and win 17-14.

CARNIVAL - Practicing for the Glenknoll School carnival Nov. 11 from 10 a.m. to 4 p.m. on the school grounds are, from left, Thayr McCall, Tracy Teston, Mike Adams and Linda Teston. Theme for the event is "Crazy Days."

Mrs. Simpson Presents Seminar On Scotland

Mrs. Winifred Simpson gave one of her seminars last Thursday night titled "Scotland - Where the Wind Blows O'er the Heather." As Mrs. Simpson narrated her journey through Scotland, her husband Laurel Simpson coordinated the narration with slides they had taken.

The seminar hosted by Valencia Bank, was attended by 75 persons. A reception was held at the bank preceding Mrs. Simpson's talk.

Aileen Cook and her daughter Linda were at the guest book. Serving as hostess for the bank was Mrs. "Sam" Ketchum.

Mr. and Mrs. Simpson are world travelers and now live in Twin Peaks, California, but spend several days each week in Placentia, where Mrs. Simpson has her studio at 513 W. Chapman Ave.

Program Initiated By Library

Through a service called "Free Reads," the Fullerton Public Library is reaching out into the community to contact its prospective patrons.

A mini-collection of about a dozen books, complete with fiberboard bookshelf, is placed in a business office, an apartment house recreation room or other place where people congregate.

The books are available to anyone who wishes to take them. There is no date due, no fines. A slip pasted inside the front cover encourages the reader to return the book to the shelf or "to the nearest public library."

"Books furnishing the collections are gifts," a library spokesman states, "and are surplus to the library's needs. They are in excellent condition. They represent older titles of lasting interest or duplicate copies of current works. Free Read collections are rotated and added to every six weeks."

The State of California HRD office on Commonwealth Ave. and seven apartment houses and mobile home parks have accepted the "Free Reads" service.

Engagement Of Couple Announced

Mr. and Mrs. James F. Sims of 321 N. Bradford Ave., Placentia, are informally announcing the engagement and approaching marriage of their daughter Nancy to Lawrence A. Terrigno of Anaheim. The wedding service will be performed at the First Presbyterian Church in Fullerton on Saturday, Nov. 11 at 7 p.m.

The bride elect, a graduate of Valencia High, was an airline hostess for a time and then later joined the Hughes company where she is a secretary. Terrigno is also an employee of Hughes Company. He attended Western High School in Anaheim.

AAUW To Discuss Community Housing

The next meeting of the Placentia-Yorba Linda Branch of the American Association of University Women will be held on Thursday, Nov. 2, at 7:45 p.m. in the library at Tuffree Intermediate School.

General topic for the evening is "Housing for Everyone." Discussion will cover various aspects of housing in the county including discrimination in housing, the need for low and moderate income housing, federal programs and new concepts in housing.

Scheduled speakers include Camille Beason, executive director of the Orange County Fair Housing Council; Molly McClanahan, president of the Fullerton League of Women Voters; and Sandy Valdez, branch member, who will show slides based on the UCI Project 21 low-income housing study.

McGowan To Address Association

Jim McGowan, Coast and Southern Federal Savings, will address the monthly meeting of the North Orange County Chapter .773 of the American Association of Retired Persons (AARP) Wednesday, Nov. 8.

The meeting will be at the Fullerton Senior Citizens Bldg. 340 W. Commonwealth and a sack-lunch will begin at 12 noon. For information call 528-1432.

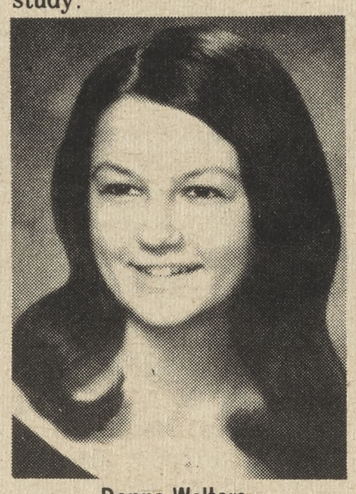
McGowan will speak on best remembered personalities of our generation and what happened to him or her. The talk will be illustrated with "Before and After" slide films.

The American Association of Retired Persons was founded to improve the lives of older men and women. A variety of publications and services, including insurance, pharmaceutical supplies and travel are available to members. Membership in the Association is $2 a year, covering both husband and wife.

Stewart Undergoes Surgery

Ronald Stewart, 14, son of Mr. and Mrs. Melvin Stewart, 1232 Pine Street, Placentia entered Anaheim Memorial Hospital on Monday, Oct. 23 and underwent surgery on Thursday.

Ronald, who is a seventh grade student at Bernardo Yorba Intermediate School, was able to return to his home on Sunday, where he will convalesce for another week before returning to school.



Donna Walters

Engagement Announced By Walters

Mr. and Mrs. George Walters of Placentia recently announced the engagement of their daughter Donna Walters to Frederick Joseph Rodriguez, son of Mr. and Mrs. Joseph W. Rodriguez of Placentia.

Miss Walters is a graduate of Valencia High School and now attends Fullerton College. She is a medical secretary in Garden Grove.

Rodriguez is also a Valencia graduate and is attending Fullerton College. He works for General Foods Corp. in Anaheim.

RALPH REPORTS

RALPH DIEDRICH

The Chino Hills Airport Fiasco

The place to stop the idiotic plan to build an airport in the Chino Hills is at the environmental impact study phase.

Many people in the area have ignored this proposed airport because they feel it is an illogical and badly conceived plan and therefore never will succeed. That is a dangerous assumption. A lot of silly plans have become realities because no one thought them serious enough to oppose.

That is the case here. Unless enough people join together to stop this thing, it -could become a fact. The people supporting the Chino Hills Airport are well financed and well organized.

In case you don't think an airport in Chino Hills is such a bad idea, drive past the Los Angeles International Airport. See how the nieghborhoods around the airport have turned to slums. Stick your head out of the car and listen, if you can stand it, and you'll realize why no one would want to live within thousands of acres of an airport.

The group making the Chino Hills proposal is determined. They plan to turn land, now practically useless except for the raising of a few cattle, into land worth millions of dollars. One man claims to be the sole financial supporter of the proposal and says his wife owns a large portion of the land. In talks to convince people that the airport should be built, he says some 25,000 acres will be set aside for the airport in the hills.

He says that our incumbent supervisor called for the first study of the plan, and he also says federal studies now show that the location is fine as far as air space is concerned.

There are a lot of people in Orange County who feel an airport in Chino Hills wouldn't be so bad. Except for residents right here in our area, Orange County residents in general do not object to the plan. In fact, they approve because it once and for all eliminates the possibility of an airport in some location near their homes.

There are those who say the Southland needs a huge international airport, and they might be right. We need an international airport to serve all of the southern counties. So, why not call on all of the counties concerned and make it an Inter-county International Airport?

Rather than call on Reg Wood, who plans to borrow all the money from the federal government anyway, why not join the five southern counties in a plan that can be built without hurting any residential area?

The cheapest way to supply an open area at the end of an airport is to aim the runway at the ocean. A second choice would be a wilderness area that now exists and is slated to remain a wilderness area.

The one place in our county that meets all of these conditions is at Camp Pendelton. Aircraft landing there would head over the ocean in one direction and the Cleveland National Forest on the other. That is certainly better than landing over La Habra, Yorba Linda, Placentia, Fullerton, Brea and Buena Park.

And it would be a lot less costly than buying all those hills from Reg Wood's wife.

Cotillion Group Still Has New Openings

Mrs. James Bemis and Mrs. Kenneth Perkins, patrons for The Cotillion of Yorba Linda, announced that openings still exist for new members. The Cotillion is made up of three groups of young people ranging in ages from fifth grade through high school. Its purpose is to help young people develop social etiquette through authentic ballroom dancing.

Mr. and Mrs. Robert Gollatz of Pasadena teach the young people ballroom dancing and manners. The Gollatzes have been teaching in Yorba Linda for more than ten years and have travelled all around southern California giving dancing instruction to young people.

In the guise of teaching the various dance steps of the waltz, cha-cha, polka, fox trot, and frug, to mention just a few, your child is taught that a gentlemen never leaves a lady on the dance floor, the lady wears gloves to social affairs, and a feeling of comfort is developed through knowing proper social conduct.

The cotillion is held in the Yorba Linda Women's Club one Tuesday each month. Membership in cotillion is open to youngsters in the Brea, Placentia, and Yorba Linda areas. For further information, contact Mrs. James Bemis at 528-5341 or Mrs. Kenneth Perkins at 528-8226.

YL League To Discuss Membership

The next general membership meeting of the Yorba Linda Little League will be held at Yorba Linda Junior High School on Thursday, Nov. 2 beginning at 8 p.m.

All members of the league and interested persons are invited to attend.

OFFICE - Fullerton Savings and Loan Association finalizes plans for their new Yorba Linda-Placentia quarters. Reviewing the blueprints are (left to right) Hilton Dalessi, Executive Vice President of Fullerton Savings; Ben Ramsey, Associate Broker with Colwell Properties, realtors; and Don Hastings, Manager of the Fullerton Savings Yorba Linda-Placentia Branch.

Fullerton Savings To Move Quarters

The Fullerton Savings & Loan Association branch at 1203 East Yorba Linda Blvd. in the Yorba Linda-Placentia area will move to new, larger quarters some time early next year, according to Hilton Dalessi, executive vice president.

Construction of the new branch, located at 1204 E. Yorba Linda Blvd. in the northeast corner of the Yorba Linda shopping center directly across the street from the present location, began this month.

Plans for the new location include a 16' x 25' community room for the use of local organizations. The multi-purpose room will seat approximately 30 people.

According to Hastings, Fullerton Savings is the only locally owned and managed savings and loan association in northern Orange County.

Fullerton Savings and Loan opened its Yorba Linda-Placentia branch in 1968. Its first location, in Fullerton, was opened in 1927. A third branch, in East Anaheim, will open in November of this year.

Silk Screen Students To Make Huge Print

Students enrolled in the photo-silk screen class at Fullerton College have taken on an unusual multi-color reproduction of a lithographed print, according to Benjamin A. Castro, instructor.

Trained to work on areas roughly two feet square, the students have set out to reproduce a color lighograph nearly five feet long and to hold all of the color rendition, Castro said.

The photo-silk screen class, which carries a full two-semester units of credit, is designed primarily for art students but attracts students in advertising and design, technical illustration, photography, printing, and hobbyists as well.

Miss Dill Honored At Bridal Shower

Diana Dill was honored recently when a number of friends gathered for a bridal shower. Miss Dill married David W. Smith on Oct. 21.

Those in attendance at the shower were the mothers of the bridal couple, Mrs. Mildred Dill and Mrs. Rosemary Smith. Others present were Charlene Gurley, Mae Kehlenbrink, Dorothy Winnick, Debbie Walters, Phyllis Bates, Marge Wunderlich, Jeri Wilson, Jan Eklund, Julie Eklund, Charlene Renoe, Hazel Ritzmann, Gloria Cook, Janette Sharp, Jana Kiedrawski, Cecele Van Winkle and Janice Winkle.

Placentia Citizens Now Have House

Senior Citizens Club of Placentia now has a clubhouse of their own. They initiated it Wednesday night with a bang-up costume Halloween party when approximately 50 members and their friends joined in for the festivities.

The club now has what was originally called The Scout House as their own meeting place. The senior citizens manned the mops, the scrub brushes, and the broom, and thoroughly cleaned up the place and for the party festoons were strung throughout.

The new home for senior citizens was provided through the cooperation of the Parks and Recreation Department. It has kitchen facilities, such as a stove and ice box which will be an advantage to the women in planning events, said Mrs. Lillian Craig, president.

The Senior Citizen's piano has been moved to the new facility, where there are also several card tables and some chairs.

Alta Vista Hosts Group Bridge Play

The Child Guidance Support Group from Placentia met recently at Alta Vista Country Club for their monthly bridge play and luncheon. Hostesses for the month were Mesdames John Whitaker and Jack Swanson.

High score for the day went to Mona Tate. Barbara Beckett received second and Roberta Stack, low. In attendance for the day were Ada Hafer, Eve Williams, Mona Tate, Donna Whitehead, Liz Topp, Jo Lieble, Phyl Donaldson, Eva Lee Swanson, Roberta Stack, Evelyn Koeller, Anne Marie Rolfes, Barbara Beckett, Wilma Hobbs Faith Harris and Barbara Keniepp.

MEMBERS - Arlene Obremski, hostess, and Jan Duwe, Welcome Wagon Club second vice-president, welcome guest Ginny Lampton and new member Lee Miller to a recent Welcome Wagon Club membership tea held at the Obremski home in Yorba Linda.

Mrs. Obremski Hosts Welcome Wagon Tea

Mrs. Arlene Obremski, 19792 LaTierra Lane, Yorba Linda, recently was hostess for a Welcome Wagon Club membership tea which was held in her lovely new home. Thirty guests attended the tea, of which fifteen became new members in the active Placentia-Yorba Linda organization.

Mrs. Obremski entertained her guests by introducing Club chairmen who told about the various opportunities for enjoyment and philanthropies of the club. The Fiesta Days booth in Yorba Linda had been discussed and new members are to be complimented on joining in and making the booth the success that it proved to be. The Annual Christmas Snowflake Ball on December 2 at Alta Vista Country Club was presented to the new group to prepare early fo rthe gala affair.

The Obremski dining table was covered with white lace and set with silver and crystal. Punch was served from a crystal bowl, along with assorted fondues in silver chafing dishes. Finger sandwiches and pastries completed the tea.

Woman To Address Area Club

Blanche Bersch, deputy attorney general for the state of California, will be the guest speaker at the November meeting of the Faculty Women's Club, California State University, Fullerton.

Ms. Bersch will discuss women and the law. A specialist in the field of public welfare law, Ms. Bersch is also a member of the Board of Governors of the Women Lawyers Association of Los Angeles and is on the Policy Council of the Southern California Women's Political Caucus.

The meeting will be held on Wednesday, Nov. 8 at 8 p.m. at the Faculty Center, 1220 N. State College Blvd., Fullerton and is open to the public. Members of the community are cordially invited.

Collection Donated By Club

Members of the Placentia Boy's Club, often in need of enough reading material of their own, recently donated copies of a unique book containing some of their favorite stories to several of their favorite reading rooms.

Titled ''Boys' Club Favorites'', the book was distributed to the Placentia District Library, and libraries at McFadden School, Ruby Drive School, Morse School, and Saint Joseph's School' and to the children's wards at Orange County Medical Center, Placentia Linda Hospital, and Saint Jude Hospital.

John Badger, executive director, said the 192 page, handsomely boxed book contains 26 stories and articles from Reader's Digest that Boys' Club members selected as their favorites. More than 100 highly popular articles were reviewed before making the selections, he said.

''We're happy to share our copies of 'Boys' Club Favorites' with other youngsters in the community,'' Badger said. ''The book has already become a favorite among our club members.''

Vision Tests To Be Offered At YL School

Free vision tests will be administrated at the Yorba Linda United Methodist Church Nursery School Nov. 1 between 9:15 and 11:30 a.m. and early afternoon by appointment.

The visual screening test is conducted by the California Elks major project, the Preschool Vision Screening Program. They are working in conjunction with the Orange County Health Department.

Amblyopia is an eye disorder that is often called ''lazy eye.'' It can be prevented, but, if it occurs and is not treated, it can cause permanently faulty vision in one eye.

Indifference Of Public Contributes To Crime

Public indifference is the criminal's most effective weapon, report leading police authorities in Southern California.

The most frequently committed major crime in the United States, burglary, can be drastically reduced if private citizens will take elementary precautions.

According to Chief Norman A. Traub of the Placentia Police Department, this crime can be reduced considerably if the private citizen will make crime prevention a daily habit.

Chief Traub reports that all law enforcement agencies in Southern California have effective crime prevention programs and urges all citizens to contact their local police departments for advice and assistance in protecting their private property against theft.

In addition to official police crime prevention programs, various civic and private business-sponsored programs are proving to be valuable aids in deterring major crimes.

One of the more effective programs currently in progress to lessen the incidence of residential burglaries, is the property identification program urging citizens to engrave their driver license number of their portable valuables.

Property identification programs of this type are proving to have a dual value to police crime prevention programs. Private property engraved with the owner's driver license number affords police officers a quick and positive means of identifying the owner of the property in case of loss of theft.

Equally important to police authorities, is that this type of community program also physically involves private citizens in active crime prevention.

Realizing the need for a coordinated effort, the Placentia Jaycees have initiated "Operation Identification," in cooperation with the Placentia Police Department.

"Operation Identification" features the free loan of electric engraving tools for the public to take home to engrave their personal property with their driver license number.

"This type of property identification program," Chief Traub reports, "can take the profit out of residential burglaries and when there is no profit for the thief, there is usually no theft."

Engraving the driver license number on personal property goes beyond household articles.

This type of identification is particularly usedful in recovering all personal property such as automobile accessories, bicycles and other non-household property in case of loss of theft.

Farm Worker Theater To Give Show

The nationally-heralded farm workers theatre group El Teatro Campesino will perform on stage Thursday, Nov. 9, at California State University, Fullerton.

The theatre group will perform at 8 p.m. in the Little Theatre, located in the Music-Speech-Drama Building on the Fullerton campus.

The appearance of the group is the second in the classical and cultural arts series "Innovations in the Classics" sponsored by the Associated Students.

Ticket prices are $3, with a $1.50 discount for Cal State students. The reserved seat tickets may be purchased at the Associated Students box office on campus. Mail order requests are also being accepted.

Sigma Delta Chi Officers Are Named

New officers for the Sigma Delta Chi Professional Journalistic Society student chapter at California State University, Fullerton have been elected for the 1972-73 year.

Officers are Tom Gorman, president, Santa Ana; Merriam Cannon, vice president, Fullerton, and Christie Russell, secretary-treasurer, La Habra.

The Fullerton student chapter is one of more than 200 chapters serving cities and college campuses throughout the nation, with a total active membership of more than 23,000 student and professional journalists.

Locally, the student chapter will work with the Orange County professional chapter.

Purpose of the society, formed in 1909, is to associate journalists of talent, truth and energy, to assist the members by acquiring the noblest principles of journalism, and to advance the standards of the press by fostering a high ethical code.

VHS Speech Students Win Several Awards

The speech team at Valencia High School in Placentia is displaying a shelf full of trophies and certificates won during a weekend of competition.

Twelve of the 22 students attending a tournament for novice individuals at Sonora High came home winners, and among their trophies is the Sweepstakes Award. Twenty schools from throughout Orange County were entered in the competition for first-year debaters, according to Valencia Speech Teacher John DeNike.

Tom Holliday took first place in humorous interpretation, and Karen Walling came in first in expository speaking. Second place certificates were won by Nancy Burcke, Bill Donovan, Debbie Lange, Randy Oliver and Linda Pappas; and third place winners were Terry Claire, Tom Ginn, Debbie Goffin, Larry Lindenstein, and Belinda Lizotte.

At a tournament for varsity debaters and speakers at UCLA, Dan McLoon won honors in extemporaneous speaking, and Debbie Press placed fourth in original oratory. There were 58 entries from all over California.

Three novice debate teams entered competition at Sunny Hills High Friday, and the team of Vic Anderson, Eileen Cullahan and Pam Flood brought home the first place trophy.

All the tournaments are activities of the National Forensics League. This was the first major outing for the novice debaters and the second for the varsity team members, DeNike said.

Westways Collection On Display At Center

The Westways Collection Of Art will be on view at the Muckenthaler Cultural Center, 119 Buena Vista Dr., Fullerton, through November 18. A champagne reception to mark the premiere of this outstanding exhibition held Sunday, Oct. 29.

For over forty years, Westways magazine has dedicated itself to giving Western artists a showcase for their work. Each month a prominent California artist is commissioned to produce an original art work specifically for the magazine cover.

Encompassing every imaginable subject, the artists have expressed themselves through a wide range of techniques, including oil, watercolor, batik and bas relief. The collection has only recently been made available for public viewing and has been well received by both public and critics.

The collection emphasizes subjects familiar to the residents of Southern California and the Western States. Such wellknown artists as Merv Corning, Marv Rubin, Rex Brandt and Russ Smith will be featured. Viewers will find that this exciting collection accurately reflects the changing western art scene over a period of four decades.

Gallery Hours are Tuesday through Sunday, 1 to 5 p.m. For information call 879-6860.

Opportunity Grants Are Available

Assemblyman John V. Briggs (R-Orange and San Bernardino Counties) today urged students to apply for the 1973-74 competition for College Opportunity Grants.

Briggs said, "There will be 2,000 College Opportunity Grants awarded for the 1973-74 academic year. These grants are authorized by law for students entering college who are generally ethnic minorities from low-income families and who are not able to obtain scholarships through conventional selection methods."

"The final date for submitting applications is January 18, 1973," Briggs said. "Applications may be obtained from my office at 1400 North Harbor Blvd., Room 605, Fullerton 92635."

NORWALK 521-2580

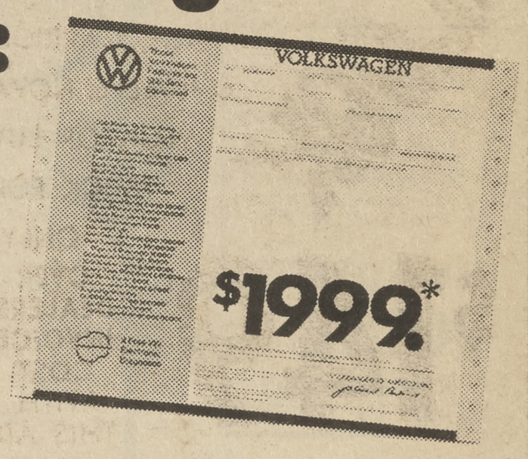
Introducing the 1973 Beetle:

Re-introducing the 1972 price:



With the price of our new Beetle still under $2,000,* the Volkswagen Beetle is a bigger buy than ever before.

More warranty, for instance, than you get with any other small car. Twice more: 24 months or 24,000 miles.**

More attention to specific details than ever (and that's quite a lot). More than 1,000 inspectors meticulously scrutinizing more than 5,000 parts. Some two or three times. For us, it's not enough to get it right, we want it perfect.

Volkswagen also has the most advanced automotive service system in the world. A brand new computer is, or soon will be, waiting in our service area. We simply plug it in to your VW, and it checks, via sensors and probes, vital service parts and spells out the results in plain English. That's service.

Maybe all of this explains why VW owners have gotten more resale dollars after three or four years than the owners of any other comparable car.†

Obviously, it's not only the price of the '73 Beetle that reminds you of the good old days. It's also the quality.

Few things in life work as well as a Volkswagen.

*1973 Volkswagen Sedan III suggested retail price, P.O.E. Local taxes and other dealer charges, if any, additional.
**If an owner maintains and services his vehicle in accordance with the Volkswagen maintenance schedule any factory part found to be defective in material or workmanship within 24 months or 24,000 miles, whichever comes first (except normal wear and tear and service ifems) will be repaired or replaced by any U.S. or Canadian Volkswagen Dealer. And this will be done free of charge. See your dealer for details.
